### Professional Experience

---

#### CyberWarriors Club VIT BHOPAL – Database Core Team Head June 2021 – Present

- Successfully Conducted BON HACKÉTIT Event on 10<sup>th</sup> June

#### Database Management

GFG VIT Bhopal

- During Geek-Week Local I was selected as a volunteer in Database Team.
- I efficiently managed the whole event Geek-Week Local.
- With the team of few we managed the enormous event with participants count around 1000

#### Cipherthon

- My team(Backend Buddies) worked on a project for the help of Old-Aged People.
- Our project's name was Nirogya Bharat.
- By that project we tried to make an app for old age people for their daily routines and medicine.
- We are currently developing the Application.

#### Hackathons

- Geek Week Local Competition
- GitHub Competition

#### 6<sup>th</sup> International eConference on Cyber & Digital Forensics
